Andy,

I reached the same point as you with Stef Shamet – we got to the docket number and requested the AO from our docket clerk. So far, I have not received anything.

Ingrid or Allison,

Do either of you know the history back to 2000 on this case? I know you are both familiar with the current case.

Thanks!

Andy

**Subject:** Looking for an OLD Stormwater Case

Hi Steve,

I'm trying to track down an administrative case that was filed sometime around 4/2000. It was against a facility called "Super Salvage," located in Washington, DC. And was a part of a larger stormwater initiative in the Anacostia. Do you recall who may have worked on this? I want to get a handle on what the specific violations were and how they were resolved. Thanks!

Allison
